# **Light Pole Struck, Falls on Barbara Johns Building Awning**

**RICHMOND** – This afternoon a mobile crane struck a light pole near the corner of 9<sup>th</sup> and Broad Street, causing it to fall onto an awning on the Barbara Johns Building.

No one was injured, and there appears to be no damage to the building.

Visitors to and workers in the Barbara Johns Building will use an alternate entrance until the pole is removed. The sidewalk in front of the building is closed. Please avoid the area at this time.
